CLASS SONG

(FOREVER AND FOREVER)

St. Joseph's we leave thee,
This day we are blue,
Dear Alma Mater
We'll think of you.
Dear friends we are parting
To go on our ways,
Our thoughts will be with you
Throughout our future days.

So farewell dear High School,
We're parting,
Proudly we call you our own,
With tears in our eyes
We now whisper goodbye
To our Alma Mater, St. Joseph's High.

The friends we have made here
Will live in our heart,
The years are precious
But now we part.
As we bid farewell
On this lonely day,
Our hearts are raised in prayer
For guidance on our way.

School Song

Senior Class

School mates stand, and salute our
school so grand.

Joyfully let us raise our voice in song.
Pro Deo et Patria be the cry
Of loyal hearts that will ere its praise
prolong.

We have seen our banner waving
As it flaunts its colors bold,
And we know there's none so royal
As the purple and the gold.
Since they stand for Truth and Honor
Let us all uphold with pride,
Every rule and each tradition
Of our loved St. Joseph's High.
Our royal banner will wave
Symbol of right, St. Joseph's High,
You've trained us in days of youth
To place our trust in honor, faith and
truth.

WELCOME

Welcome everyone -- Welcome everyone,
Hear our voices strong as we sing our song,
Welcome everyone -- Welcome everyone
See our banner wave, St. Joseph's High on
parade.

We'll always love and keep in mind our
Alma Mater,
And lift our eager hearts to her so brave
and true,

Let us honor and uphold her,
Let's give a cheer for Alma Mater dear,
Our voices raise in songs of praise with
hearts expanding,

With gratitude our Alma Mater we acclaim,
With joy upraise a hymn of praise
In loyalty to St. Joe's High.
Sadly we leave your dear portals,
Leave all the friends we love so well,
Thru all the years we'll remember
Voices we knew so well.

Sweet are the thoughts we bring with us,
Going through life undismayed.
Welcome today, Welcome today,
A Welcome to all.
